ABOUT THE COVER

This month's cover image comes from design artwork from Final Fantasy XII, a fantasy-set videogame. Commuters in the fictional city of Dalmasca take flying air ships from port to port. We'd like to remind people that it's 2008—where are our flying cars?

© 2006 SQUARE ENIX CO., LTD. All Rights Reserved. CHARACTER DESIGN: Akihiko Yoshida.

FEATURES

- 14 Off-Balance** Cities are in a precarious position as they try to balance growth and economic development with good urban planning and ecological sustainability. *By Mira Shenker*
- 18 Revitalization** Is Griffintown the future of urban Montreal or the first of poor planning choices to come? *By Jason Magder*
- 36 Flaunting the Label** Energy efficiency is the latest must-have for commercial developers—partly for the profit and partly for the positive PR a “green” accreditation brings. *By Kerry Freek*

TRANSIT

- 22 Tunnel Vision** Are subways, and LRT in general, the future of public transit? *By Saul Chernos*
- 24 Demand for Supply** Creating a ridership for new transit. *By Michael W. Roschlau*

UNDERGROUND

- 27 Streamlining** Creating new standards equals better asset management. *By Isabel Tardif*
- 28 Secret Spaces** The infrastructure you need a flashlight and a map from city archives to visit. *By Mira Shenker*
- 30 Subsurface Survey** The underground asset our largest cities consider top priorities. *By Jason Magder*

DEPARTMENTS

- 4 Editor's Note** *Mira Shenker* is on the lookout for floodwater in her basement.
- 5 Letters** A bad reaction to P3s and the similarities between burnt toast and trash.
- 8 Opening Shots** Official funding for NRTSI, P3 for a new road in Montreal and more.
- 10 ReLocate** Jobs gained and lost in the industry.
- 12 ReThink** *David Caplan* talks P3s, toll roads and the “evolution” of Infrastructure Ontario.
- 19 StormWatch** Planners and economic developers can—and must—get along. *By Storm Cunningham*
- 21 ReMediate** Taxes are stifling redevelopment in urban centres. *By Etienne Kishibe*
- 35 Community Profile** Bouctouche, New Brunswick.
- 38 The LEED List** Six new CaGBC certifications.
- 40 ReEvents** GLOBE08, CAMPSI, WaterTech and more.
- 42 Closing Shot** Guerilla gardeners find an infrastructure-related cause. *By Todd Latham*
