The Infrastructure Renewal Magazine

SEPTEMBER/OCTOBER 2008

FEATURES

- 32 The State of Canada's Infrastructure**
The industry works to solve unprecedented problems and overcome funding and knowledge deficits.
By Mira Shenker
- 36 PSAB Learning Curve** When does 50 per cent equal 75 per cent? When engineers and accountants both tackle the same asset management problem.
By Silbert Barrett

REGIONAL FOCUS: ONTARIO

- 12 Ontario News** Each issue focuses on a different region of Canada.
- 14 Our Town, Post-Industrial** An in-depth look at three small Ontario towns and their struggle to rebrand themselves and renew their assets in a post-industrial age.
By Larry Frolick
- 28 St. Catharines: An Image Makeover**
RAW Design's ideal vision for small-town Ontario in the twenty-first century.

CANADIAN BROWNFIELDS 2008

- 39 Cleaning Up After Copper** The Britannia Mine remediation.
By Gerry O'Hara and Barry Azevedo
- 42 Case By Case** A look at brownfield projects across the country.
- 46 Qualifying "Expert"** New legislation in Ontario holds Qualified Professionals accountable for the projects on which they consult.
By Michael Monette

DEPARTMENTS

- 4 Editor's Note** *Mira Shenker* plays Where's Waldo: Election '08 Edition
- 5 Letters** A Progressive Conservative response to Canadian "dictatorships," InfraIndexing, Best of the Web and more.
- 8 Opening Shots** New bridge for Quebec, a \$1.9-billion power grid, carbon capture and more.
- 10 ReLocate** Jeffrey Steiner, John Jung and others change jobs in the industry.
- 50 Re: The Law** Could you be liable for infrastructure affected by climate change?
By Sabrina Gherbaz and Patricia Koval.
- 53 Community Profile** East Gwillimbury, Ontario.
- 55 StormWatch** How to write an RFP/RFQ.
By Storm Cunningham
- 57 ReEvents** Golf and OPWA good deeds.
- 58 Closing Shot** Batten down the hatches, it's another 100-year storm.
By Todd Latham

ABOUT THE COVER

Architectural studio raw Design's team (pictured here) developed a concept for small Ontario town St. Catharines: a principal axis through the town that links the downtown core (and river valley and rail network) to the lake. ReNew Canada's designer Donna used their renderings to create this issue's graphic cover.
