FEATURE

16 Flying Solo? Canadian municipalities look to a U.S. model that may help fund neglected local airports.
By Susanne Ruder

UNDERGROUND

24 Back to Nature Communities are getting creative to bring aging infrastructure up to par with modern solutions.
By Julie Metea

26 Seed Money Without proper maintenance, is an urban tree canopy worth the city's investment?
By Kiva Bottero

30 Hybrid Waters Designing water infrastructure with the concept of city as watershed in mind.
By Cecilia Chen

DEPARTMENTS

4 Editor's Note Creating a place where big ideas and bricks and mortar can meet.
By Mira Shenker

8 ReThink How can cities and regions move from stand-alone transportation projects to integrated systems?
By Mira Shenker

14 ReImagine Pop-up public consultation: an unused public space becomes a forum for civic engagement.
By Suzanne Beaubien

22 Panorama The often unseen side of urban redevelopment.
By Neil Ta

34 Canadians at Work A new column featuring the international work of Canadian companies.

36 ReLocate Jobs gained and lost in the industry.

37 ReEvents Meeting of the Minds, APWA Congress, Ontario's Energy Future, and more.

42 Closing Shot *Todd Latham* says that natural resource extraction should be a science and technology discussion, not a hot potato.

FRONT

5 Letter *Adam Chamberlain* calls for regulatory certainty to support the green economy.

6 Comments Ontario's energy supply, a call for reader feedback, and more.
