CANADA
The Infrastructure Magazine

JANUARY/FEBRUARY 2013

FEATURES

- 20 Risky Business** In collaboration with Zurich, we invited a group of diverse players to discuss what the greatest challenges are for cities and which risks can be mitigated.
By Mira Shenker
- 24 Fighting Corruption** Lessons learned from Quebec's battle with organized crime in the construction industry.
By Julie Stauffer

TOP 100 PROJECTS

- 8 Top Feedback** Platinum and Platinum Elite badgeholders on the 2013 Top 100 report weigh in on sector trends, financing, and what the annual report says about Canada's infrastructure industry.
By Mira Shenker
- 16 Honourable Mentions** A few projects that didn't meet the Top 100 criteria, but are nonetheless noteworthy.

SPECIAL INSERT

Top 100 2013 Our seventh annual report on Canada's biggest infrastructure projects.

DEPARTMENTS

- 4 Editor's Note** Canada's construction industry continues to show growth. *By Mira Shenker*
