## RESILIENCE

- 10 Fight the Future** *Adam Auer* describes how to fight extreme weather by building infrastructure to withstand challenges posed by climate change.
- 14 Where Grey Meets Green** *Saul Chernos* travels to New Orleans to see how they are rebuilding the Gulf Coast one reef at a time.

## NORTHERN CANADA

- 18 Unlocking the Ring of Fire** Mining operations in Northern Ontario have been delayed due to uncertainty around how to finance critical infrastructure. *By David Caplan*
- 20 Boom Town** Calls grow louder for a deep-sea port in Iqaluit. *By Lee-Anne Goodman*

## SMART CITIES

- 24 The Revolutionary Community** How intelligent communities are reinventing urban and rural planning. *By Robert Bell, John Jung, and Louis Zacharilla*
- 28 The Smart Energy Utility** Utilities are entering a brave new world of energy services. *Eric Campbell and Richard Laszlo* show how some are blazing the trail.
- 38 Nothing to Fear** How analyzing building information data allows public facilities to meet public needs. *By Susan Anson*

## PROJECT FINANCING

- 30 Follow the Green** Green bonds for infrastructure projects hold potential for greening the economy. *By Dustyn Lanz*
- 32 Canada's Next Top Model?** The United Kingdom has made a new iteration of its P3 program, opening up the market beyond banks. *By Gary Watkins*
- 34 A Brave New Funding Source** Insurers wait in the wings for long-term infrastructure investment opportunities. *By Stephen Frank*

## DEPARTMENTS

- 4 Editor's Note** *André Voshart* moderates a panel session about proper communication.
- 5 Front** Far-offshore wind in the Great Lakes, and Quebec promotes transparency with lower authorization thresholds for public contracts.
- 8 Top 100 Projects** First Nations' economic development in Eastern Manitoba, Windsor-Detroit bridge authority forms, and Waterloo LRT breaks ground.
- 22 Panorama** Inside Hydro One's Midtown Electricity Infrastructure Renewal Project in Toronto.
- 36 Re: The Law** Governments look to integrated project delivery to tackle infrastructure revitalization—which raises a number of legal issues. *By Richard Shaban and Richard Yehia*
- 39 People & Events** Appointments, awards, acquisitions, Canadian Urban Forest Conference, CNAM, APWA, Transportation Association of Canada, and the Future of Canada's Infrastructure Summit.
- 42 Closing Shot** *Todd Latham* on the importance of report cards to drive municipal asset management plans.
