## ENERGY

- 12 The Long Game** Darlington uses a replicated mock-up of its nuclear reactor to train for upcoming fuel channel and feeder replacements. *By Matthew Le Blanc*
- 16 Power on Top** *Saul Chernos* on how First Nations hold the key to hydroelectric developments.

## SMART INFRASTRUCTURE

- 24 Boost Your City's IQ** How will smart infrastructure revolutionize the cities of the future? *By John Jung*
- 28 Seeing the Future** Predictive analytics are able to identify priorities for investment and calculate the impact of deferrals. *By David Caplan*
- 30 Data for Cities** A new made-in-Canada standard provides cities with an opportunity for a standardized approach to city metrics that enables global benchmarking. *By Patricia McCarney*

## URBAN PLANNING

- 32 Halifax's Bold Move** *Cynthia Robertson* and *Stanley Strug* examine Halifax's grand vision for the redevelopment of its waterfront.
- 34 Cementing Our Future** Ensuring industry and jobs have a home on Toronto's waterfront. *By Michael Kraljevic*

## DEPARTMENTS

- 4 Editor's Note** *André Voshart* details how the Top 100 will expand in the next year.
- 5 Front** Canada still under-investing in cities, and how transportation infrastructure needs to prepare for automated vehicles.
- 8 Top 100 Projects** A photo gallery inside ReNew Canada's Top 100 Key Players and Owners Dinner.
- 20 ReFinance** La Caisse unveils an agreement with Quebec to carry out infrastructure projects, identifying \$5 billion in developments as priorities. *By André Voshart*
- 22 Panorama** Artists transform six industrial silos into gigantic, 7,200-square-metre work of public art on Vancouver's Granville Island.
- 36 Re: The Law** A look at the many legal considerations organizations need to consider when adopting building information modelling technologies. *By Richard Shaban and Richard Yehia*
- 38 People & Events** Appointments, OPWA's Annual Conference & Awards Luncheon, RCCAO panel discussion, FCM Sustainable Communities Conference, and Big City Mayors' Caucus.
- 42 Closing Shot** *Todd Latham* takes a break—but not before getting a few things off his chest.
