JULY/AUGUST 2015

---

#### FINANCING

- 14 We Must Break Free** Can design innovation survive the P3 bidding process? *Michael Mastromatteo* explains how consortia are breaking through with new ideas.
- 18 The P3 Leader** *Gary Watkins* on what the world can learn from Canada.
- 20 Playing Games** Are high-profile sporting events catalysts for change—or expensive distractions? *David Caplan* looks into the Toronto 2015 Pan Am/Parapan Am Games' legacy.

#### ENERGY

- 24 The Full Picture** Can we leverage urban systems modelling to drive community-scale emissions reductions? *By Jeff Ranson*
- 28 Measuring the Impact** Estimating the socio-economic impact of district-energy systems within Canadian communities. *By Ken Church*
- 30 A Modern Grid** There is no one-size-fits-all solution. What are the technology opportunities to help utilities deliver on their expanding mandate? *By Devin McCarthy*

#### ASSET MANAGEMENT

- 34 The Long View** Multi-year budgets are an emerging trend as municipalities seek more support for their long-term capital plans. *By Eve Krakow*

#### DEPARTMENTS

- 4 Editor's Note** *André Voshart* explains the shift toward multibillion-dollar transit P3s.
- 5 Front** On the mining industry's lack of infrastructure, how the public sector falls behind other sectors in project success, and a letter on the long-term impact of expanding Ontario's Greenbelt.
- 10 Top 100 Projects** Updates on Site C, the New Bridge for the St. Lawrence Corridor, the Spadina subway extension, Montreal's metro car replacement, the Hurontario-Main and Finch West LRTs, and the New International Trade Crossing.
- 22 Panorama** The majestic view atop Vancouver's Grouse Mountain.
- 33 Re: The Law** A new Quebec act strengthens the province's integrity framework. *By Clémentine Sallée*
- 36 People & Events** CNAM, WIN Leadership Awards, P3s in Motion Conference, ONEIA Business and Policy Forum, OCSI Infrastructure Forum, and the 3rd Annual Climate Change Research Symposium.
- 42 Closing Shot** *Paul Kahnert* on how Ontario's proposed Hydro One sale is a betrayal of the public interest.
