The Infrastructure Magazine

NOVEMBER/DECEMBER 2015

RESILIENCE AND CLIMATE CHANGE

- 10 Plan for Change** The costs of not acting far exceed the costs of acting. *By Blair Feltmate*
- 12 The Low-Carbon Highway** What climate change means for how we build our roads. *By Adam Auer*
- 16 Northern Exposure** The Yukon's experience underlines climate change's challenges to Northern infrastructure. *By James Careless*
- 18 Room for Innovation** What are the industry trends when it comes to concrete, steel, and wood in mid-rise and bridge infrastructure? *By Eve Krakow*

ENERGY AND RENEWABLES

- 24 State of Renewables** Solar and wind power producers face challenges as they strive to increase their market share. *By Saul Chernos*
- 28 Under the Sea** Nova Scotia's Marine Renewable Energy Strategy opens the gate to an interconnected tidal turbine project expected to be the first of its kind. *By Zoë Thoms*
- 30 Hydro Horizon** Hydroelectricity will shape Canada's energy future, so it's critical to grow public support to get them built. *By David Caplan*

RE: FINANCE

- 32 What a Difference \$50 Billion Makes** Research show a Canada-wide infrastructure program would generate significant return on investment, boost productivity, and increase competitiveness. *By Robin Somerville*
- 34 Good Debt vs. Bad Debt** Demystifying the notion all debt is bad in the space of public infrastructure. *By Stuart Galloway*

DEPARTMENTS

- 4 Editor's Note** *André Voshart* debunks the myth that any public infrastructure project is a good idea.
- 5 Front** Foresight needed to guide our decisions, Bruce Power moves ahead with new investments, and Ontario's AFP track record.
- 22 Panorama** Edmonton's \$606.5-million Rogers Place arena project being built alongside the massive Ice District development.
- 36 People & Events** Appointments, acquisitions, the Women's Infrastructure Network, ReNew Canada's 10th Anniversary, and the APWA Congress.
- 42 Closing Shot** *Glen Murray* on how it's clear that investment in climate resilience now far outweighs the costs of doing nothing.
